Kim Shi Pil ?
You are his son ?
... Do you know him ?
Of course, we went to the same university and were good friends..
His company went bankrupt ?
Few years ago he visited me personally and told me that his company wasn't doing well So I helped him financially
He hasn't contacted me since then
We didn't call each other often So I figured he was alright
Are you saying his company fell because I helped him ?

No
of course
not
I bel eve the company
was beyond repa r
when he contacted
you
With your help,
h s company
managed to get
through the worst,
but it was go ng to
fall it was only a
matter of t me
So it wasn't
my father
No and I told
you so
He just d dn't
have luck and
all And the g rl
made up a whole
new story

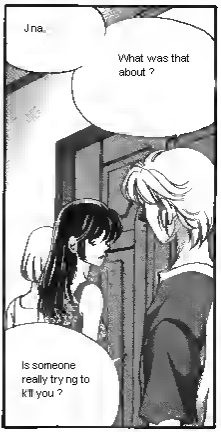
I see
I knew it was bad
Yes
.....
.... You must understand that this family is going through tough time.
Your father has pride and doesn't like to lose.
So, when he came to me asking for help, I knew that his situation was desperate.
You may find this weird but I am actually glad that this has been revealed.

So how are your parents?
They are separated
But it is safe to say that they are d vorced
I guess I shouldn't ask anymore
Is it over Jina ?
Yeah
Why don't you go bed now

Jaynes
www.janimes.com

it w ll be we rd to ask
Yu Jn oppa to stay wth
me So

"Oppa" s a term used by ONLY females to address older males' n a fr endly manner



Sorry ... never mind that
I have something to say
Can we talk in private ? I don't think I can tell you this later
In private ?
Yeah
I know it's late ...
But I need to get this off my chest

Don't push too hard Jna
It s your cho ce
Ok ...
Let's go to the balcony.
Jna ...
It's alright.

What does that mean ?
Neverm nd
Call me f you need help
Really... I never knew that it was really going to happen.
No k dd ng
I don't th nk I am go ng to be able to sleep
Yu J n oppa care to dr nk tea or someth ng ?

I am a little tired but sure
Yes..., I did feel something from him...
It was something spiritual...
But I couldn't see what it really was
I think I've felt this ever since I saw him
...For some reason, I can't see it clearly...

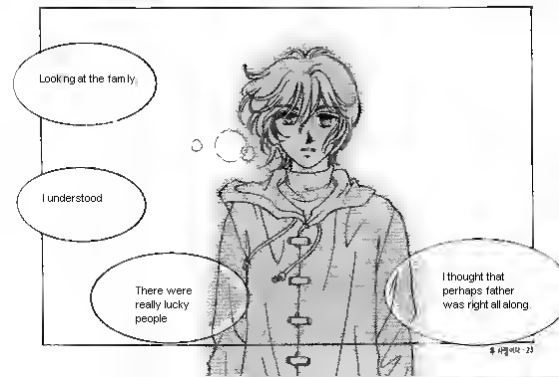
www.janimes.com

Do you remember the key r ng I gave you ?
It s probably the only th ng that father actually bought for me
H s father ?
But he sa d It was someone
He sn't exactly a bad person but cons ders h mself very unlucky
I wasn't go ng to say th s to anyone
Espec ally
He used to compare h mself to your father.

It was more of
h s habit of say ng
I even remembered
your father s name
when I was a k d
Your father d d no
harm and helped
h s company but
he bel eved that
he was your father s
fault
He seems to believe
that your father is
taking away his
work
I wondered what
made h m l ke th s
and it turns out
that they loved
the same woman
n the r un versity
And the woman
s your mother now
J na
It seems to have
stuck n h s m nd and
he compared my
mother to your mother
whenever they were
hav ng a f ght
No wonder my mother
fought back

He always mumbled that he was unlucky
Look ng at how my father was how my parents were
I wondered if I am hav ng unlucky l fe because I was born from unlucky parents
And then
I wondered what happened to the woman my father spoke of I wondered f she was hav ng a happy l fe
I even thought that
It was when I was a sen or n m ddle school I v sited your father s company and saw your father
I followed h m to h s home

I think it was Saturday ...
... it seemed that his family was going out for dinner ...
They seemed happy



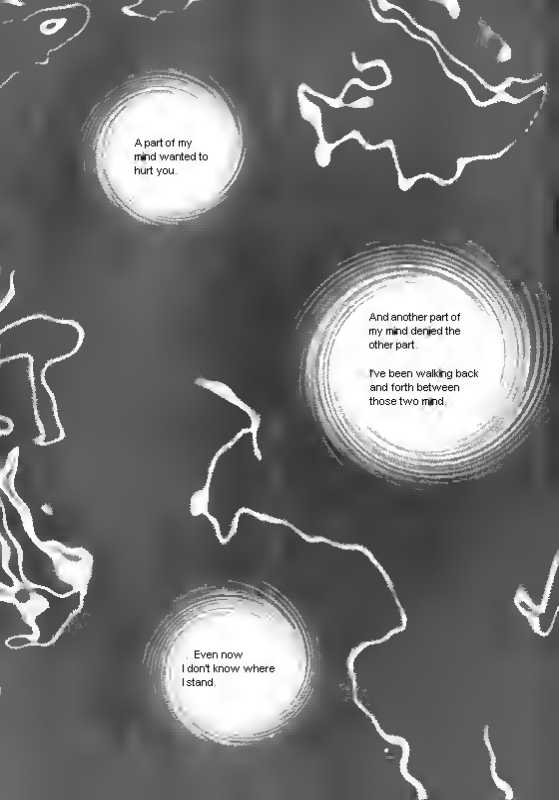
Looking at the family,
I understood
There were really lucky people
I thought that perhaps father was right all along

www.janimes.com

The puzzle
If
You are happy now ....
Is making its way to completion...
You approached her with other intention ....

For some reason you kept drawing my attention
"Why do I want to keep seeing someone I don't like?"
Ever since your presence was within my reach
Yes
At first I had nothing but hatred in my mind and then
So...
Looking at myself who can't seem to take eyes off you
I don't really know anymore...
I asked myself, "Do I really dislike her?"

A part of my mind wanted to hurt you
And another part of my mind denied the other part
I've been walking back and forth between those two minds
...Even now I don't know where I stand...



A part of my mind wanted to hurt you.
And another part of my mind denied the other part.
I've been walking back and forth between those two mind.
... Even now I don't know where I stand.

Yes. . , so when he proposed, I think I was happy.
It's just that... I do not have peace of mind for that right now ...
I am tired and scared. That's all.

www.janimes.com

He does have motive.
But he hasn't really done anything.
His father's company fell and my father had something to do with it and directly and he has right to dislike me for that
Even if he's the abettor there were people who had nothing to do with him
Yeah there indeed were
If anyone Se Hu was the only one

What s common among the four ?
Yeah ... that was what I was tr.yng to th nk at the theater
Where... how ... something in common ...
Think, Jina. Think ...

So, it was really Yu Jn ?
Yes ...
But how
When I was leav ng h s eyes looked scary
So, I came back
it was hypnos s

Hypnosis ?
He posses sp ritual ab lit es and h s major s psychology He has learned hypnos s and became extremely good at it
I remembered everyth ng after I woke up
That s why I was able to recall how it happened
Yu Jn and I used to take hypnos s classes I was mesmer zed few t mes and I th nk t backf red when Yu Jn mesmer zed me
That s why I made you go out by maleng a call I needed a good t m ng

It doesn't make much time to execute and complete hypnos s If one s a master, It w ll only take few seconds
I am sure J n s mother and Se Hu were eas ly mesmer zed
Exclud ng the pr est everyone else had no reason not to trust h m
But why d d n't he do by h mself?
I don't know
Perhaps he d d n't mean to kill me from the beg nn ng

Je Seok, it's just what you said. You said that you were between desire to harm me and desire to stop yourself
Maybe, Yu Jin oppa was the same case
The only difference was that he lost his consciousness when his desire took control of him.
So, it was easy for the desire to take a full control over him.
On the other hand, even though he was unconscious,, his desire to stop himself took its place in its own way. So, the murder attempts weren't so fierce.
Yes..., come to think of it... It ususally happened after I talked to Je Seok in private... It did happen once when the priest came to see me though... When we went to the mister's house, nothing happened because I told him that Je Seok and I were over...

www.janmes.com
The abettor ...
the cause ...
It is you, Je Seok.
You are one of
the two people
Yu Jin oppa is
the second one
I think he did it only
when he felt jealous
from you
I don't know
That's
what scary
jealousy
No it's only because
of the curse
He isn't that kind
of person

He was kind ...
warm ...
He encouraged me whenever I was breaking down.
You are strong, Jina
He did
He did ...

Anyway a person who can use hypnos s should be here soon
Yu Jn called another when he felt that h s condit on was quest onable
He should be here by even ng
Je Seok I need you to stay as well
When Yu J wakes up there s someth ng we must do
Hmm
Will he remember what he has done?
He will remember what he has done, but he won't remember why.
Just like the others...

Isn't it cruel that he abused others to do his dirty work even if he didn't want to kill you ?
Four people
Maybe he s a very old and cruel person ns de
But I am sure that his desire to stop took its place clearly
The curse happened very differently compared to previous cases I think that s why His desire to stop saved me n the end

Don't look at me now
I know it s hard to beleve but I d din't have any recollect on about what I d d unt I now
I recall now how I mesmer zed you and the others
I also recall that I attacked J na

Janines
www.janines.com
What's more scary is that... I am beginning to remember everything.
Jna s not n her room ?
No I wonder where she went n m ddle of n ght
I saw someone n front of the house
I th nk it was her boyfr end
What? She went out to meet a guy at n ght?
I need to talk to you Do you have a moment?
Who are you?
Are you conf dent that you can f nd the two people ?
Ahem, who do you think I am ...

Then why can't you see this ghost right here?
You go out now..
When Jina says "Go back in", you strangle her.
Se Hu s it alr ght for me to l ke J na ?
Are you jealous at all ?
Hmm ?

I am scared of myself r ght now
Ths s
Don't blame yourself
It wasn't you
No, it was me. This is exactly what happened between my ex and me.
I avoided facing truth and ran away.
It is no wonder that I "forgot". That was what I wanted and my consciousness cleared my memory.

Don't run away ...
No one died.
No one ended up becoming a murderer.
So, it is a happy ending. Let's think so.
Whether a murder was successful or not
hav ng felt true des re to murder s what counts
Th s s not a happy end ng at all
The moments that I wanted J na dead are st ll there

You once sa d that Jna s strong
And I am sure she has the energy to mend herself afterwards
I th nk you are r ght
I bel eve it was her energy that made her go through th s and still surv ve
That's that's my ideal woman

Janimes
www.janimes.com

I can see a spirit that is possessed to him clearly now. It wants to talk.
But it considers me as hostile. So, it won't listen to me.
I just need you to induce and I can take it from there.
Ok
Scent of Aroma . . .

Is there someone other than you n your mnd ?
Yes
Who is it ?
... I do not know. It is saying something.
But they aren't exactly words. They are ... emotions... feelings ...
"Why me ..."
"You will pay for this ..."
Anythng elese ?

조용~
I don't know
It s not working
Are you sure it s a human s sprit ?
Maybe because it has someth ng to do with the curse
I don't know it s just pure form of emot ons
Why me I heard that from my dream as well
Now it s your turn Please sit
I don't th nk it s a human s sprit
Yes

Who are you ?
Mortal name s
Jn Seo
My g ven name
as a pr est s
Jn Yeong
I was the Han's
advisor.
Are you aware
about the curse?
Of course.

Jaminés
www.janines.com

I nit ated the curse

Killing a boa
that was about to
face its redemption
would bring a curse
upon them.

Therefore,
I advised the Han
to kill the boa.

Why... have you
done so ?

Before I became a pr est,
I had an affa r with
the Han s th rd daughter
However she chose
fam ly over me
One day, I suggested her
to run away from the Han
She refused f rmly
I wasn't satisfied with
the result, but that
was not the end.
Later on, the Han found out
about the affair and tortured
my mother and brother.
And then the Han exiled
them.
My mother wasn't
able to recover from
wounds. She passed
away soon after.
My brother became a
vagabond.
Is that... why
you put the
curse on us?
Yes.
Do you not think
it was more than
enough for someone
to hate you ?
And that was
only the
beginning...

In the end. It was a result of the r act ons The Ha wanted wealth and fame even f they had to do d rty works
Even if I did not do it, someone else would have.
That is how it works.
The boa... After swallowing so many lives, it want to redeem itself and be free. But, in the end, it was killed right before it was allowed to redeem. It deserved it. Its sins made it happen.
After I entered Buddhism, I learned "cause and effect". The Han and the boa only deserved their punishment according to their sins.
Of course, I was aware and prepared to be cursed by the boa after doing what I've done so.
I, too, was punished for what I've done; I was murdered by bandits soon after.

Not only that..., my entire bloodline was cursed.
My brother... my relatives.
This child I am speaking through...
Is also one of my descendants.
.....!
What now... Ask if the curse can be cured?
No, just let him speak.
I have been waiting for this very moment.

I've been wanting to say that... I wanted the others to be free from the curse.

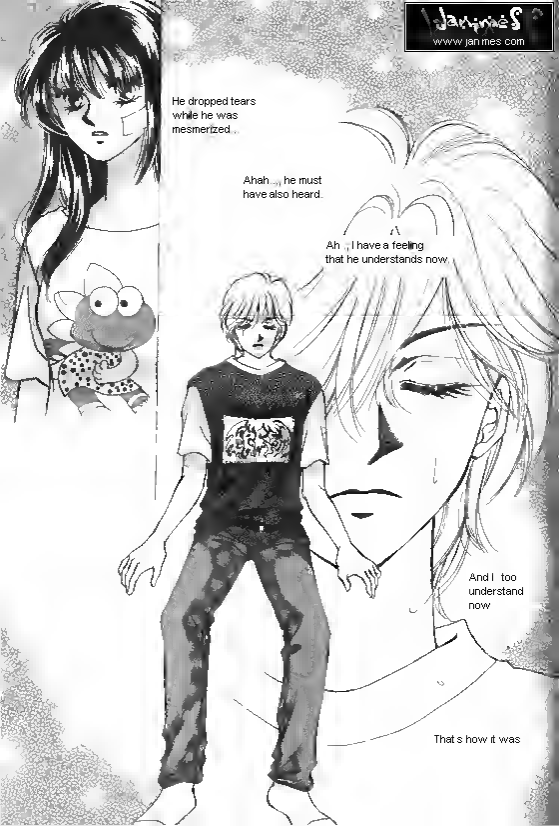
However..., even if I wanted to fix my deed..., it was already done and could not be reverted.

All I can do now is...

As of now..., my curse ends...All there is left is wait for the boa's rage to be sublimated...

That's all

Janimes
www.janimes.com



He dropped tears while he was mesmerized..
Ahah..., he must have also heard..
Ah..., I have a feeling that he understands now.
And I too understand now
That's how it was

So that s how it was I th nk I understand now
Ultmately, the abettor was the pr est His sp rit was consc ously do ng h s work
The killer was the boa it s a snake s sp rit So it had to be done unconsc ously
Je Seok sent out s gnals without fully real zing
And Yu Jn answered h s call n name of jealousy
The two people are the pr est and the boa wh ch are Je Seok and Yu Jn

Good work, thanks.
Bye.
No problem. Visit me before you go back to America.
Can I be... excused now ?
Sure.
Jina would agree with me as well.

Is th s the end of the curse ?
Snce pretty much everyth ng has been revealed I would say it s
Yeah _ I feel that it hasn't ended though
Are you go ng back to Amer ca now ?
I have to I've stayed here longer than I should
Yu J n oppa as well ?

Of course.
After the incident, my head became very clear.
I no longer sense her presence, either.
Like you said, I think she wanted to aid me.
I was always running away from problems...
She must have felt that I was possessed by the boa's spirit.
I was try ng to run away from my guilt that I k lled her.
If I d d succeed murder ng you at a t me l ke that

My life would have become a living hell.
If
When time passes and everything is cool
Would you pay a visit to America?
I will send you a ticket
www.janimes.com

Of course ...,
If it is alright
with you.
Don't take it
too seriously.
...I know now.
The weird feeling
I had when I saw you
for the first time ...,
it was the boa's
as well as mine.
That was it.
I will think about it.
You came into
my sight as if
it was meant to be.
And jealousy
was a good
fuel source for
the boa.

Why don't you leave after eating ?
No, it's fine.
I will walk you.

Good luck to you and take care
Yes weird destiny has gotten us here
Good luck to you too
I guess we will see again after the summer break is over

And I must have
been the pr est
Yeah
So she chose
your fam ly
over me
And I chose
to revenge

What s it you want to say?
Such rough dest ny brought us here
And you must have suffered a lot
But
I th nk it was true that the pr est d d love the daughter
But everyth ng must come to an end now
I feel very refreshed

We can still contact each other by e-mail.

Will you come when I send you a t cket?
Sure
KAL to New York

We are leav ng now
Bye Bye
Bye
Take care

Snce we are all out here let s have dinner outs de
I w ll take you to a very n ce restaurant
Yay
Eh Iam go ng too ?
Def nitely
By the way
Hey Yu Jn
Uh what
The pr est appears to be gone for good as he sa d
But the boa s sp rit st ll rema ns doesn't it ?
Is that al right to leave like th s?

What are you saying ?
The curse requires an abettor and a spirit that will respond to it
If either one is gone it is gone
Yeah ?
What don't be so negative now
But ...,
even if it was done unconsciously,
there had to be a source of hatred to be possessed.
If conditions to be an abettor can be met by any menas...
Could it be that there could be another abettor in the future?
If ....

Yes
I am just
overreact ng
The curse s
over

I guess he s flying by now
Jna aren't you scared ?
St ll seeng h m after what happened
After I was told the det ails I couldn't even talk to h m
It kept hitt ng my head and who knows he m ght agan
I know

The boa's voice echoed in my dream once.
It said, "why me" "why me"
I assume that he was resented by the fact that he had to be killed right before he could redeem himself.
And I thought, too.
Why me..., I thought.
But I wonder now. Why not me ?
You can't always be an exception from every single unfortunate event.

If men's will created curses,

I believe it is also men s will to create happiness

I will believe that I will be happy and move on

I also hope that Yu Jn oppa will move on and be happy

Well, let me tell you a weird story that happened to me when I was a child

It is not a horror story but more like a really strange story

When I was a child, I went over to my uncle's house every summer break. I was only an elementray student back then.

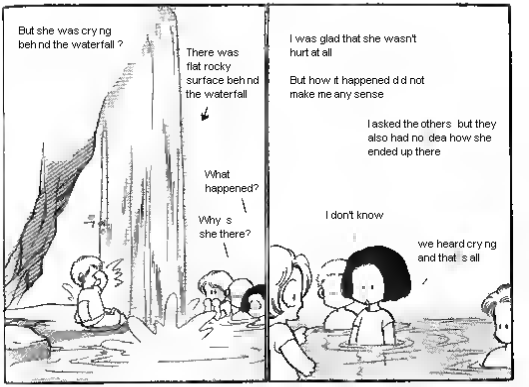
With my sister and four relatives (all kids), we went to a waterfall in a mountain to play everyday.

The waterfall had a small pool where its depth was low enough for us to play in.

On that day, others were playing down in the pool

The youngest relative and I were playing above the waterfall

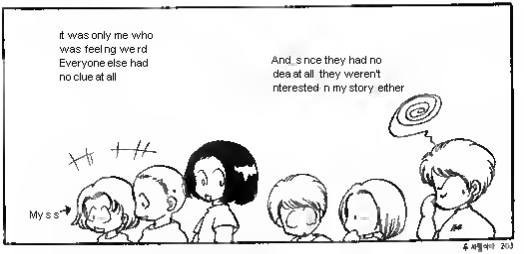
And it happened
We were playing
and I accidently
kicked him off
I still remember how I felt
at that moment
I felt as if all my blood
was being drained
from my head and body....
me
I feared how the others
would panic
and the relatives crying
woke me up
I went down and the
others had no clue on
what was going on
I hear crying
From where?
The relatives were
supposed to have
fallen into water



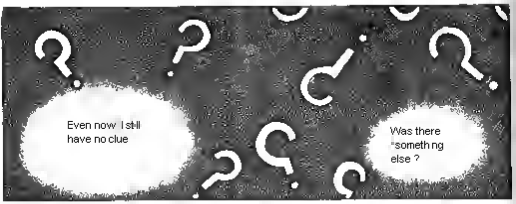
But she was cry ng beh nd the waterfall ?
There was flat rocky surface beh nd the waterfall
What happened?
Why s she there?
I was glad that she wasn't hurt at all
But how it happened d d not make me any sense
I asked the others but they also had no dea how she ended up there
I don't know
we heard cry ng and that s all

She was only 5 The pool was too deep for her alone
And it s not like there was enough time for her to have swum up there all by herself

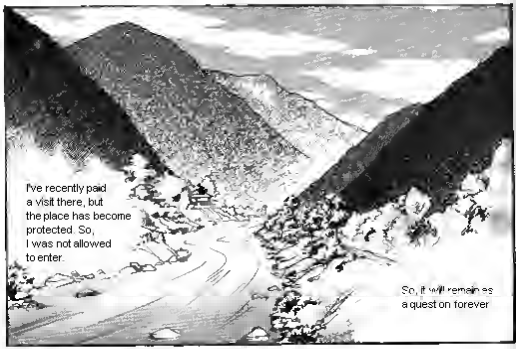
I just s mply could not understand how she got there



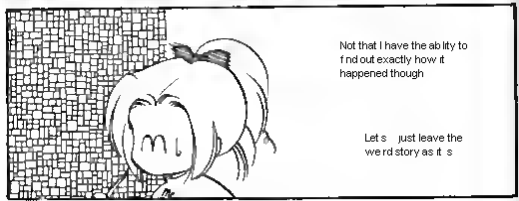
It was only me who was feel ng we rd
Everyone else had no clue at all
And s nce they had no dea at all they weren't nterested n my story either
My s s



Even now I still have no clue
Was there something else ?



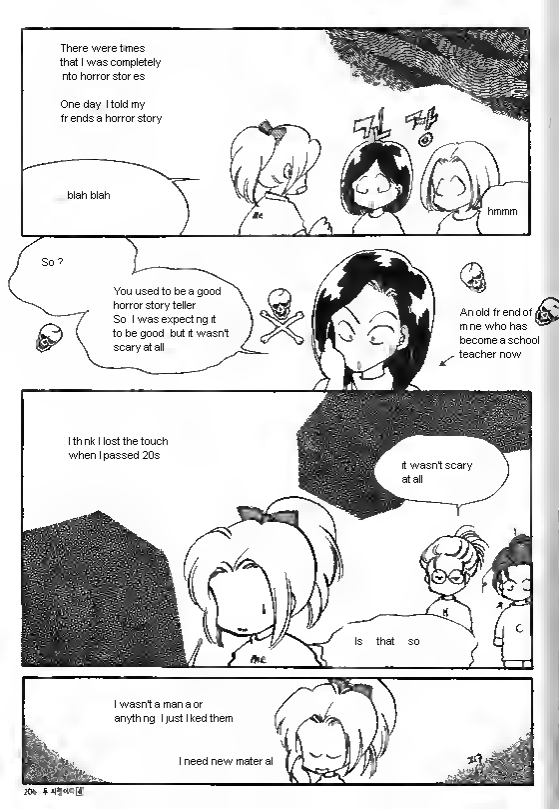
I've recently paid a visit there, but the place has become protected. So, I was not allowed to enter.
So, it will remain as a question forever



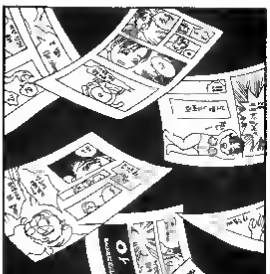
Not that I have the ability to find out exactly how it happened though
Let's just leave the weird story as it is

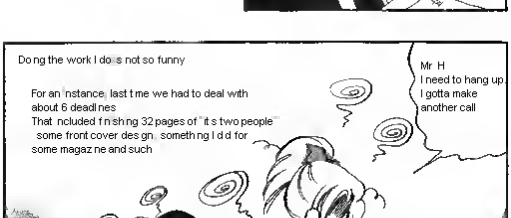
I used to be a good horror story teller but as I age it seems I am los ng the touch
I need few mater al
me

I often l sten to others tell ng me horror stor es
I th nk t s mportant that tellers have proper atmosphere
When he was walk ng by the acc dent s ght there were blah blah
Depend ng on who tells a horror story can just become a com cal story



There were times that I was completely nto horror stor es
One day I told my fr ends a horror story
blah blah
hmmm
So ?
You used to be a good horror story teller So I was expect ng it to be good but it wasn't scary at all
An old fr end of m ne who has become a school teacher now
I th nk I lost the touch when I passed 20s
it wasn't scary at all
Is that so
I wasn't a man a or anyth ng I just l ked them
I need new mater al





Do ng the work I do s not so funny
For an nstance, last t me we had to deal wth about 6 deadl nes
That ncluded f n sh ng 32 pages of "it s two people" some front cover des gn, someth ng I d d for some magaz ne and such
Mr H
I need to hang up. I gotta make another call

After f n sh ng the works
I passed out for a bit (ser ously)
and so d d my ass stants
Dur ng my work season
I ga ned 5 kg due to mmense stress
and then lost 3 5kg after deadl ne
(rema n ng 1 5kg s st ll wth me darn it)

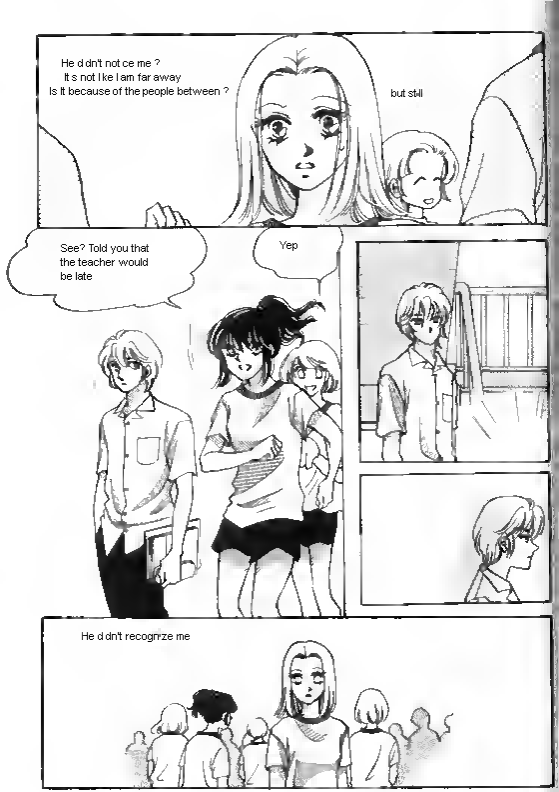
www.janimes.com



He d dn't not ce me ?
It s not l ke I am far away
Is It because of the people between ?
but still
See? Told you that the teacher would be late
Yep
He d dn't recognize me

Was it that he didn't recognize me...
or was it that he wasn't looking for me ?

RRRR—
Hello
it s me
You are not n bed yet are you ?
No. I just got home
You haven't gone asleep yet?
No I was bored So I was readng books
Bored ?
Why d din't you drink tea or someth ng So how wasit ?
How was what ?
The fruit tea that you got
Oh those Yes they were n ce I like tea anyway
I see I have some t me unt l 4 pm on the next sunday How about you ?
So that s a no ?
Confus on and doubts
Hmmph I w ll be busy
At where ?

Even so ...
I still want to
Hmm ... cake and red tea.
Just red tea for me.
You what ?

Everyone ?
Is he talking about Jna ?
Or was there someone else ?
Well everyone says it s good So I am trying
He simply refused trying when I was trying to talk him into it
How was it ?
How was what?
The fruit tea you got
She s in the same class as you isn't she

How did he know she was in the same class as me ?

He has never come to my class.

And I've never been with Jina at all

He couldn't even recogn ze me when I was almost r ght n front of h m

And he was able to recognize someone else n the same class?

Who was he looking at exactly ?

Girls in my classroom say they think that I have a boyfriend.

It seems I may have such atmosphere.

I don't ke th s Maybe..I am th nking too much

The g rl we encountered before sa d so as well

The g rl s J na

You are charm ng
You sound and act mature And most mportantly you are not as no sy as other g rls
I th nk I am go ng to tell them that I have a boyfr end
If you want
Really ?
But I tell others that I am free

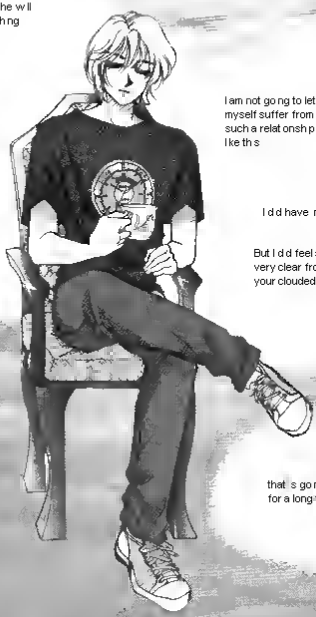
Janimes
www.janimes.com

Well..I guess th s sn't too bad
L ke you sa d it makes me calm
But it s already cold
yeah?
the reason I th nk that I am not tast ng the bitterness of tea is because
of th s we rd situat on where we have no common at all even when we are drinking the same tea
and, even though this guy's oldness behind his smiley face, I still feel lingering attachment to him.

But I am not a fool

If I call him tonight he will
set a date as if nothing
happend

And that's it



I am not going to let
myself suffer from
such a relationship
like this

I did have interest in you

But I did feel something
very clear from
your clouded words

that's going to last
for a long time

And I have a feeling that I will be Jna s close fr end
Like how th s tea tastes now
The end

Title : Jason

No matter how good horror movies are, everything happens within 2 hours and ends there.

You either enjoy the horror or hold onto yourself for 2 hours.
